

ADIRONDACK CHAIR & PLANTER BOX ARTISTS

48 BLOCKS AC 2022

Since 2017, artists have been transforming Adirondack Chairs, and later Planter Boxes, for Atlantic City Arts Foundation's flagship program 48 Blocks AC, in partnership with the Special Improvement Division of the NJ Casino Reinvestment Development Authority.

The chairs and planters can be found along the Atlantic City Boardwalk and in O'Donnell Memorial Park.
